Cecilio CCO-110 Student 1/2 size Cello comes with bow, rosin, extra set of strings, hard case, soft case and essential elements cello book 1. Every thing is in excellent condition. My son used it during his sixth grade year. This instrument was perfect for his size and experience level. It was only used for six months before he moved on to a brass instrument. The Cello itself was appraised at \$289 used without all the extras. Original price brand new was over \$600 for.
