PRO TOOLS ENGINEER MIXER AVAILABLE (Biloxi)

Location Mississippi https://www.genclassifieds.com/x-677482-z

I have 18 years experience recording, producing, and mixing music and dialog in Pro Tools on Mac computers. I am an experienced pro musician with college degrees in music as well. Looking for all types of engineering gig's but have produced and mixed pop, Rock, and Dance music mostly in my 18 years. Friendly and easy to work with.

Skills

77482-z

- 17 years of experience working with Pro Tools on a Mac including:
- Installing, authorizing, updating, and using software plug-ins and virtual instruments
- Connecting and using audio interfaces for a Mac and Pro Tools
- Advanced understanding of recording and audio concepts within the DAW environment on a Mac
- Advanced understanding of the production process for music creation within the digital studio.
- Advanced understanding and ability to execute the modern mix and mastering process.
- Delivering audio to the web for personal and professional music uses
