If you are looking for a little extra cash I am a photographer just getting back into the hobby and I am looking for new face to shoot. Most of my work is done in or near the water so it will involve bikini work and less. So if you are ok with your body and ok in front of the camera then contact me. I will pay between 30 to 60 an hour for max of 3 hours. Or 125 to 225 all day long 8 plus hours. Depending on type of modeling you will do.if interested please send a good face picture and full body bikini photo. Be prepared to send examples of other work you agree to.
