Thank you for reading. I'm an extremely busy guy looking for a gorgeous young white woman to help me keep up with housework and errands, etc,etc. Must be a non smoker, I often work 60 to 80 hours a week. I'm very friendly, respectful,easy going, generous, and successful . This will be paid and is for real. If you're interested, please reply telling me a little about yourself and include a few pictures & include a number. Thanks!

If this works out well enough, in time I'd even consider letting you move in with no rent,.
