Hello Everyone,

I am currently a activity director at a residential home. I am looking for people to come in and play music , or teach a trade, or anything that would just help them. A lot of my residence are quite sharp. Crafts and bingo just do not interest them. They want to be challenged and recognized as adults. This can be a paid or volunteer basis. Will have to do a background check. I love these people and their safety is number one.

- Art Therapy
- Elderly Yoga
- Music
- Wilderness guides
- Fishing guides
- Volunteer
