Selling My Beloved 1999 Yamaha V-Star! Purchased New, Impeccably Maintained! Odometer Shows Only 10,763 Miles, Average 625 Miles Per Riding Season. Battery New 2014, Always Stored Inside, Hooked-Up to Maintenance Charger. Seat Has No Rips or Tears, Along with Accessory Backrest. This Model Came Stock with Front Foot Pegs; I Changed to Floorboards, Much More Comfortable. The AIR System has been Removed for Better Performance, a Common Upgrade Among V-Star Owners. Most of the Ugly OEM Engine Case Screws have been Replaced with Stainless Steel Allens. Check Over Photos, They Tell More Than I Can!

Asking Price is Really Reasonable. . . I Don't Have to Sell, Just Have Way Too Many Toys, No Time To Enjoy!

Due To a Friend's Recent Jaw Hitting the Asphalt as a Supposed Buyer Riding Into the Sunset Experience, You are Welcome to Come Inspect, Twist the Throttle and Kick the Tires. If You'd Like to Take Him for a Ride, a CASH Deposit Equal to The Selling Price, REQUIRED! NO EXCEPTIONS!

If You'd Like to Come Take a Look, Please Send Me a Message with Your Contactable, Valid Phone Number, I Will Call You. I Don't Put My Phone Number Out on the 'List as Have Had Too Many Scam Issues.

For All that Ask If Scoot Has Ever Been Laid Down. . . NOPE!

If You are Reading this, Scoot is Still Available!

Lastly. . . If You Do Not Have Financial Resources to Complete Purchase, Please Don't Waste Both Our Time! Sorry. . . No Layway Programs Available!

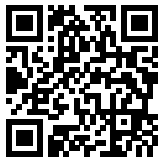

PLEASE NOTE: Spammers & Scammers, I report your IP address to the Federal Internet Crimes Task
