Have you seen this woman (Henderson)

Location **Nevada** https://www.genclassifieds.com/x-677676-z

This is my sister and she "borrowed" my scooter without asking and hasn't been home in three weeks. I don't know what to do about it so I am asking for help. If you see her call or text me the location and I will try to go find her. If the information you provide me helps me find her I will pay a reward of 50
