Awww... Sweetcake! She is such a good little gal. Loves to play, loves her people, loves to snuggle... Sweetcake's perfect person or family would be a couple with grown up kids (or no kids), with a fenced yard and a quiet home, and an inexhaustible supply of tennis balls.

Sweetie LOVES to play fetch with a ball or a stick and will be your yard buddy for HOURS, or until you get tired of throwing the ball. She has been great with new family members in her foster home (who has had several relatives and friends over to stay). Sweetie is selective about her doggie buddies and we feel she'd do best as an *only* dog, where she can be the focus of her family's attention.

She loves hikes and being outdoors, so going on leashed activities with her family would be something she'd adore! She so loves her people, she'd make you feel like the best and most important person in the world, just for choosing her and being there for her. Sweetie is 3 years old, 60lbs, spayed, healthy, and up to date on her shots! She knows sit, down, stay, and heel, loves to ride in the car, and is super in the crate! Of course, she is housetrained too.
