MEET MIKEY!

Mikey had a very rough start in life. He was found on the streets of NYC WRAPPED WITH TAPE AND ROPE!

It has not broken his spirit though ... he was very scared at the shelter and shut down, but he has blossomed at his foster mom's home. He is with other dogs and doing great. In fact, he has especially bonded with a female who has been helping him recover. He has already come such a long way in such a short time.

Mikey is very sweet and affectionate and loves his humans. He would do best in a low key home with a female canine companion. Mikey is crate trained, and almost there with his housetraining.

Mikey is about a year old and weighs about 55 lbs. He is utd, neutered and microchipped.
