MOTOR MANIACS MACHINE

We have full Engine machining capabilities. From a simple rebuild to full out race work. We have our own crank grinder and spin balancer in house along with a line boring machine. And of course all the basics such as a Serdi seat and guide machine, Rotler boring bar, Sunnen Ck-10 power hone and a surfacer for heads and deck surfaces. Plus much, much more. We can do it all from Tractor engines to Harleys to diesels to Hot Rods. Give us a call

We can grind crankshafts up to 72"!!!
