Bonded Pair Of Sugar Gliders Available For Re-homing. I have a male and female sugar glider in need of a new home. I'm in between places at the moment and don't have the means to care for them properly. They're about 4 months old, hand tamed and have bred before. They come with a medium size cage, water bottle, couple pouches, and some toys.please do text or call

for more info and pics on these
