Hello there! We are looking for a vocalist to join a cover band to play at weddings and other events. We will primarily play 80s, 70s, and Top 40 hits, but may also take requests ahead of time from clients. Must have a versatile voice and good range. Vocalist will be paid per gig and must attend occasional full band rehearsals (don't worry, gigs and rehearsals are usually scheduled months ahead of time).

We are also forming a jazz band and will need a vocalist for that as well. Let us know if you would be interested in both!

We will be closely associated with JAM Events & Productions who will help promote us and book events. Their website is JamEventsOKC.com

If you are interested and would like to set up an audition at our office, please contact us via text
