Hello, I'm Matt Antoniades, writer and comedian from mattantoniades.com. I'm putting together some skit videos for the site and we're now at the casting stage. I need actors. The skits are all phone conversations and here's how filming will work; you shoot your part of the dialogue yourself, your co-star in some other city shoots theirs, send it to me, and I'll edit it together. So none of us will ever meet up.

This is not a paying gig. As you just read, I describe myself as a writer and a comedian. And that means there's no money to pay out. But so long as these videos gather an internet audience you just might have your name and acting skills seen by a lot of people.

Casting for several roles, male and female, age 20 and up. Let me know if you want in on this project.!
