I am seeking one or two massage therapists to work daytime hours at a well-equipped private studio.

The studio is available from 8am-2pm Monday-Saturday. (Closed Sundays) you would need to be available to work during those hours.

You bring your own clients, only pay a 20% fee per session for use of the studio. Massage tables, towel warmer, hot stone warmer pot available for your use. (You supply your own linens and oils/lotions)

Studio is conveniently located off I-44. Alarm system, waiting/reception room, mens and women's restrooms (no shower) , and free parking. First floor location; easy access for your handicapped clients.

If you are interested in this opportunity please email me and let me know as much as possible about yourself and your massage business. If you have links to your online ads or website, that would be very helpful.

you must include your age, height, weight, and a photo.

Stop paying high salon booth rental fees today and keep more of what you earn! If you've ever dreamed of having your own private massage practice, our studio might be just what you've been looking for on your path to!
