Your kids are going back to school or away to college or maybe you have just been putting off getting that desktop or laptop cleaned up or upgraded. Now is the time. I'm offering 20% off all work performed by Sept. 8th.

- Upgrade to Windows 10
- Clean up/speed up
- Back up data (even if you can't power up your computer)
- Recover data
- Replace damaged components (screens, keyboards, charging ports, batteries, adapters etc.)

All estimates are free and if I can't fix it you don't pay. No job too big or too small so give me a call.
