

# Aspiring Director Wanted for Short Film About Depression (Seattle, WA)

Location **Washington**  
<https://www.genclassifieds.com/x-677999-z>

Searching for an aspiring director in their 20s to early/mid 30s for a short film involving mental illness (more specifically, Major Depression). Must have a passion for/interest in taking risks and telling stories that are unique and challenging and/or deeply felt. If you personally have had any experience(s) with clinical depression or another mental illness or have been close to someone else who have dealt with any similar kind of circumstances, please share that as well if you wouldn't mind.

Links to reels or any possible previous work available to be seen is greatly appreciated as well.!
