

Looking for Interns 18 to assist in writing and marketing

Location **Washington**
<https://www.genclassifieds.com/x-678001-z>

We have a Laser cutting company that aspires to be so much more as well.

We can use help in the following areas for interns.

Here is a list of some types of content we need to develop.

1. Website development content
2. Project and Business plan content
3. Invoices
4. Product descriptions
5. Social Media Posts
6. Correspondence
7. Requests for information
8. Story writing: typically inspirational
9. Press releases.
10. Requests for Partnerships
11. Meeting and dictation note taking and organization notes
12. Editing
13. Marketing Materials
