There are very few condos in Sugar House, so this is a rare opportunity at an attractive price. Freshly remodeled with new hardwood floors, paint, carpet, tile, custom blinds and vinyl windows. If you've never been inside a Graystone condo before, you need to see this place. It's in the perfect location inside the complex's south west corner. The main living area is HUGE with tons of light. The kitchen is open to the living area and has new appliances and plenty of work space. All appliances are included- even the washer and dryer. The kitchen range vent has been capped, but can be opened if you decide to install a hood in the future. The grounds and pool are extremely well maintained. Assigned, covered parking is available for each unit for an additional \$10/month. Additional storage is also available through the HOA.
