Lots of Barbie dolls and accessories.

Over 30 Barbie dolls + 2 boy dolls which are not pictured as they don't have clothes! And two toddler type dolls (no clothes either). Few extra outfits, accessories, Cinderella wardrobe, and a pediatrician Barbie table thing with drawers and stethoscope. All are WELL loved and used... Pretty sure only maybe one or two are in the right clothes and there aren't shoes. But still lots of fun to be had with these for some little girl out!
