

6 Ton of Gravel (180 USD)

Location **Utah**
<https://www.genclassifieds.com/x-678188-z>

I have 6 Ton of gravel that I can deliver with my dump truck and dump trailer right where you want it. This will eliminate much of your wheel barrow hauling. Since my truck and trailer are lighter than a 10 wheeler I will not crack your drive way or side walk.
