Knights Transcription Services is a leading provider of high quality and cost-effective medical transcription services. Since being established in 2009 we have been providing services to over 15 healthcare organizations such as individual physicians, medical practices, hospitals and other medical transcription service organizations in United States of America, Canada and Australia.

With a team of more than 7 full time medical transcription professionals and a strong, robust infrastructure that can handle approximately 10,000 lines per day, we are one of the most growth oriented medical transcription companies. With an overall low cost of operations in our secure medical transcription facilities, we are able to offer a saving of over 60% to our clients in the United States, Canada and Australia.

Let us take care of your transcriptions needs. No more staffing or logistics problems for you as Knights Transcription has the expertise and capacity to provide anything from overflow work support up to complete outsourcing of your transcription needs. The Knights' professional team brings years of experience to your organization.

Turnaround -- Due to our regulated workflow process and our availability to work in second and third shifts, we are able to offer a turnaround time of less than 16 hours from the time files are received by us.

Free Trial -- At Knights Transcription, we understand that having someone handle your medical transcription is a big decision and we want you to be sure before making the change. We offer all prospective clients a free 1-day, no obligation trial of our services. Please respond to this posting so that we may contact.
