Gardener/ Lawn Care Needed

Gardener needed for standard lot yard. Mowing, edging, blowing, fertilizing and doing a great job weeding EVERY TIME. Roses, shrubs and ivy to be pruned when needed, sweet potato vines cut back often. We basically need someone to take care of our yard with out us having to micro-manage. Really tired of hiring lawn service people that do a good job the first week and slowly slack. Will need occasional mulching, planting etc. 30.00 per week not including mulching, planting etc.. Must take pride in your!!!
