Two Nashville Designers are currently looking for a Fit Model for a New Couture Line of Custom Corsets & Bustiers. Model must be of average size to thin, but preferably tall. We are looking for 5' 8" or taller. Between size 2 and size 8. Curves are a plus! You will need to be measured for the manufacturing at a fitting appointment. Once the product(s) is complete, you will be in a professional photo shoot to several photo shoots which will be for our website and possibly magazines. We are not necessarily looking for experienced Models, but you must be professional and prompt.

This is a non-pay gig, but will give you lots of exposure. Possible pay at a later date. You may use these photos for your portfolio. We are in need of one Fit Model to start. We will need many Models of different types at a later date. Please call to speak to Max, or to speak to Lori. We will send you the email address to send your photos and basic information to. We are looking for recent photos 3/4 length to full length. Thank you for your interest in this ad. We look forward to hearing from you.

Please mention "Fit Model Candidate" when you email or.
