I'm looking for female models to help build my photography portfolio - shots would be artistic b/w lingerie, implied nude style. Nothing sketchy and don't mind if you bring someone along if that makes you feel better. Compensation would be TFP and Pay. Must be 18 years of age or older. If interested send your name, age, photo, modeling experience and contact information. We can meet in a public place first, chat about the project and go from.
