

NJ GuitaristSongwriter Looking For BandSingerArtist (NJ)

Location **Tennessee** https://www.genclassifieds.com/x-678269-z

My name is Tyler and I'm a 23 year old guitarist/songwriter based out of NJ looking to make the next step into my music career. I'm looking for either a band or an artist who I could work with to get me closer to my goal of being a professional musician. Obviously, I am fully aware and more than willing to move to Nashville (one of the places I would love to be in regardless) if I can find the right people to work with. I have been in bands and worked with numerous people, putting out music and submitting it to managers and labels. My most recent project just put out an EP, and I'll leave a link to the single on YouTube below that I co-wrote, played guitar on and co-produced. I take music very seriously, but still love to have fun with it. If you have any questions or inquiries at all, please do not hesitate to ask by emailing me.
