Here's the deal. We've been together for 12 years and have never had a truly reliable drummer, that has to change. We have a ton of material, and we want to be able to play shows constantly, something that having sketch drummers has made very difficult.

If you're a drummer who can get down with sounds like Fountains of Wayne, Weezer, or even punkier stuff like Alkaline Trio and MCR, get in touch. We're super relaxed guys who want to play shows, if you're like minded we should get together. You will be reimbursed for gas to rehearsals, and will earn cuts when we play live. Hit me!
