We found at the Valero on Broad Rock Blvd
He is a beagle hound medium to large size. Seems young like 1-3 yrs old.
He is very sweet & doesn't look malnourished so we think he might have gotten out

At our home he ate drank & laid on a sleeping bag as a bed. So he totally acts like an indoor pet
He is crying looking to go outside (maybe to find his way home)

Plz let us know if he is yours
