Hello! I am a stay at home mom with 2 children. They have never been in childcare nor have they ever had a babysitter outside of family. I would like to slowly transition them into the process.

Looking for someone long term that is dependable and will also become like "family". Times and schedule will vary so MUST be flexible. More on an as needed bases starting out. Care for when I have meetings and/or events when the younger children cannot attend. Prefer flat rate or daily/part time rate over hourly but can discuss. Would prefer care in my home but in the right environment would certainly consider your home as well. I am located in Brandermill area.

Thanks!
