Hi! I am in an aggressive search to find housing VERY soon! I recently accepted a job at a local university, and need to find a place to move into in two weeks.

I am looking for a room in a shared apartment or house. Can share a bathroom/kitchen/laundry/etc. Male or female roommates are OKAY.

I am professional woman, social, outgoing, non-smoker, very clean, loves to cook and bake, loves exercising and the outdoors.
