There are dozens of posts a week on Nextdoor from parents requesting available babysitters. We're launching a pilot program in two weeks that allows parents searching for babysitters to more easily connect with sitters on our platform.

It's an easy way to make money on a flexible schedule - accept the request when you're free, decline when you're not.

If you're interested in signing up refer yourself here: [http://nextdoor.com/babysitting?&is=cl&utm\\_source=cl&utm\\_medium](http://nextdoor.com/babysitting?&is=cl&utm_source=cl&utm_medium)
