Hello my name is Sarah and my husband and I have two beautiful kids. Our son is eight years old and loves video games, playing outside and learning new things. We also, have a two-year-old daughter who is very active rambunctious, sweet and loves doing anything her big brother does. My husband and I are looking for that random date night babysitter who can give us a chance to get away and spend a little quality time together. I am also looking for a go to babysitter who can babysit random days or nights for me as I am a daycare provider myself and would love to get out and pamper myself from time to time. We are looking for someone who is first aid and CPR qualified, has experience wiith kids 0 to 8 years old, own vehicle, and great.
