Hello, my name is Sarah and I am a 30 SAHM with an 8 year old boy and a 2 year old little girl. I have over 16 years of babysitting/nanny experience and not to mention a mothers touch. Looking for playmates for around my kiddos age, but open to all ages. I am looking to have one or two families hopefully for long term. My major cross streets are 6th and Vaughn, 5 minutes south from Childrens Hospital. I am available M-F hours are negotiable. More flexibility if you are okay with me driving with your little one. With that said I have a great driving record and I also know CPR and first aid. If you are interested in my help please let me know. Please note that I am needing families that are ok with me driving with kiddos, as I plan on taking day trips to zoo, parks, museums, and other outdoor activities. Looking to Start October!
