

# Complete fresh water fish tank setup (Eagle River)

Location **Alaska**  
<https://www.genclassifieds.com/x-678539-z>

Selling my complete fish tank setup. This is a 45 gallon hexagon plexi glass fish tank that is well established, 3 plus years and healthy. It is home to a pleco, two large goldfish and one large oranda goldfish. The fish in the tank have all been there since they were small. We are on good well water, not city water so that is all they have ever lived in. Everything below is included.

45 gallon fish tank  
Medium Pleco  
2 large Goldfish  
Large Oranda Goldfish  
Goldfish food pellets  
Freshwater master test kit  
Lifeguard medication  
Ick medication  
Extra PH test kit  
Leaf zone  
Fish net  
Thermometer  
Changing color LED light strip in gravel  
White LED light strip on tank  
Decorations

Colored gravel  
Filtration system  
Heating system  
Wallpaper

I am looking to sell this setup complete for only \$150 which is only a small fraction of what I have invested in to it. Also I am able to help load everything into your vehicle. If you are interested please call or text,.
