Selling my complete fish tank setup. This is a 45 gallon hexagon plexi glass fish tank that is well established, 3 plus years and healthy. It is home to a pleco, two large goldfish and one large oranda goldfish. The fish in the tank have all been there since they were small. We are on good well water, not city water so that is all they have ever lived in. Everything below is included.

- 45 gallon fish tank
- Medium Pleco
- 2 large Goldfish
- Large Oranda Goldfish
- Goldfish food pellets
- Freshwater master test kit
- Lifeguard medication
- Ick medication
- Extra PH test kit
- Leaf zone
- Fish net
- Thermometer
- Changing color LED light strip in gravel
- White LED light strip on tank
- Decorations

Colored gravel  
Filtration system  
Aeration system  
Wallpaper

I am looking to sell this setup complete for only \$150 which is only a small fraction of what I have invested in to it. Also I am able to help load everything into your vehicle. If you are interested please call or text,.
