Hello,

I am a stay-at-home mother looking to add one more infant or toddler to our group. I currently have a small daycare in my home. My schedule allows me to have a lot of flexibility and I will definitely work with someone that I feel is a good match. Hours can vary too. I know not everyone has the 8-5 job. I am very reliable, laid back, easy to talk to and I have a professional demeanor. I live in a nice neighborhood and I have a clean home. Please consider me for your childcare needs. Take care and have a great day!

Parents please remember when searching for childcare that cheaper rates doesn't always equal up to quality childcare. I am looking to care for children long term and I enjoy watching them grow up. Stability is really important in a child's life. I can provide excellent references. Serious replies.
