Must be willing to come to Daytona for audition...and we practice and do auditions at open mics in daytona...this is a self study project...and really, we prefer drummers who already know most of this stuff.check mileage b4 u call me. If its too far don't call...I have a place thats rt on the strip that wants a 5 song live audition may give us 4 dates if he likes it.

I only want to play in Daytona/orlando or near by areas, mainly bike week and Biketoberfest gigs...No road travel. Kinda like a side project mainly for fun and some profit 1hr - 90 minute show.

I do: Red house, Purple Haze, Foxy lady, Little wing,Voodoo child s/r , I dont live today, Manic depression, Stone free (frm smash hits), Hey Joe , wathctower, fire, 3rd stone, In from the storm, Star Spangled Banner, Peace in the Mississippi (frm crash landing). and more ...

I do studio versions mainly.(listen to live only to figure endings)

I am NOT black but I sometimes wear a costume and black face tastefully done, if its a big crowd...

but, to be honest it doesn't really make much difference either way, cause most bikers are just into the music. I've done this b4 with good success...Bikers love it

You should be able to play at least 5 of these songs already...very close to the cd...NO jamming or faking it. Be able to play like Mitch Mitchel and noel redding...

serious only leave # and I will contact you...email questions will NOT be answered. Thanks.
