

Tokina 11 (20 USD)

Location **California**
<https://www.genclassifieds.com/x-678618-z>

Tokina 11-20mm for Nikon.

It's in great shape. Had it for a couple months. Selling it along with my GH4, so I have no more use for it. It's sharp. You can use it on a full-frame camera but not beyond 14mm. Really good lens for the price.

Cash only. Email me.
