

Painted Pet Portraits

Location **Connecticut**
<https://www.genclassifieds.com/x-678671-z>

I'm currently accepting commissions for painted pet portraits. Sizes and number of subjects are flexible and can be created to your requested specifications. People can be included or with multiple pets. My media is most commonly professional grade watercolors, but have created pencil/colored pencil for clients as well. Makes a nice sentimental gift that is also unexpected. I can provide past client testimonials upon request. Please contact for details on rates, process, and free consultation on your desired.
