1year old male Boston terrier. House broken and Shots UTD, I have his records. No worms, he takes heart guard monthly to prevent him from getting it. I bought him on Craig's list about 3 months ago for \$175. He had no shots then. I paid for him and got him his shots. 1 week after I got him he jumped out of my car while I was driving 50 miles an hour and broke his leg. I had to get him a splint. So I put a lot of money into him and I am just looking to get back the \$175 I paid for him. He does have cherry eye and i was gone to get them removes but like I said, I can't take care of him anymore. If you are interested in a sweet dog please let me know.

NOTE: THIS IS A PICTURE OF HIM WHEN HE BROKE HIS LEG 2 MONTHS AGO. HIS LEG IS HEALED AND HE IS FINE
