Aloha friends,

Allow me to help you restore balance to your body and mind. Through my massage I can soothe your muscles, improve your range of motion, increase your circulation, quiet your nervous system and strengthen your immune system. Enjoy the sensation of my therapeutic touch and allow your body to heal itself as I bring your entire being into balance.

By using a wide range of techniques I can tailor the experience to your specific needs. My pressure can be light or deep, based on your preferences. For whatever your body and mind needs, I am here to serve.

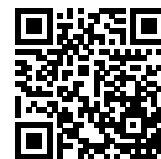

- 12 yrs professional experience
- Clean, comfortable, air-conditioned environment with shower and soft towels available
- High-quality massage accessories

- Relaxing surround sound system
