Location **Washington**

Preferably Latina or Asian female for traditional clothing themed shoots. Wardrobe provided.

You don't need to be a "beautiful person" to apply. (All shoots are fully clothed -- just want to say that given some of the other ads on Craigslist.)

Sessions last about 2-4 hours and will be discussed in advance. Selected participants will be asked to a brief in-person interview to discuss the project assignment.

Please send the following if you are interested.

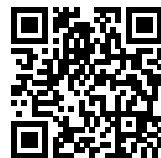

Age:

Photos: (Must include a full body photo)

Modeling Experience: (if any, none necessary)
