

Need to hire DP and SOUND (Downtown)

Location **Washington** https://www.genclassifieds.com/x-678704-z

Hello.

I'm producing a simple video shoot covering a tech event for a half day in DC on the 16th.

DP

I need to hire a DP who has a DSLR camera and access to three tripods. (I'm bringing the other two cameras.) We also need a small lighting/grip package. LEDs preferred, Kinos could work as well.

SOUND

I also need a sound person. Must have audio recording equipment, LAVs and boom.

Pretty simple and strait forward. If interested, please send links to your work.!
