I am looking for someone to help me with a research project. Ideally if you are interested in going into pharmacy, medical, or some type of health professional school, this would really benefit you. If you are not, please send me your name, number, where you are located, and best times to talk to you. If you are not in the Kansas City area, please send me your Skype ID and your Gmail address. This is a project that anyone can do if they have internet. I will pay you based on results. I will need the above information to have a quick interview with you on the phone so please provide all of the information.

Thank you very much for your,
