

Looking for dive buddies (Miami)

Location **Florida**
<https://www.genclassifieds.com/x-678801-z>

30F looking for diving friends. Will have my advanced PADI open water cert this week and searching for other people with a passion for diving. Would love to make it a regular part of lifestyle. Interested in learning spearfishing as well. I look forward to hearing from someone.

Not looking for any weird crap, sex, or drama. More than happy to pitch in with gas money for the.
