Are you looking for somebody trustworthy to watch your child or children so that you can have peace of mind? That is one of the reasons I started babysitting. After trying for over 10 years to have a family of our own, we chose to adopt a little girl. She is now 9 years old. Weeks after I got my daughter I had to return to work and find a daycare that my daughter would be safe at and loved. Luckily I found one. 6 mths later I lost my job of 9 years and thought I would benefit more from staying home with my daughter and try to watch other kids rather than go back to work. I currently watch friends and family. Since my daughter is an only child, she really thrived from having other kids around and absolutely loves the idea of other kids in our home for her to play with. For myself, it is like having the family I was never really able to have. I do provide food, snacks and drinks. One opening to start anytime after 6:45 and the other opening to start 8:30 or later. The rate for a full day is \$35.00 Times are pretty hard right now for alot of people so finding a dependable , affordable and safe place for children is important to me. We have fun playing, doing puzzles, reading books, singing songs, do some crafts, games and play outside when it is nice especially in the summer. We do have a fenced in backyard with a security gate for safety purposes.. No temporaries please. Looking for ages 10 mths to 3 years old. Exellent references are available., I am willing to run a backround check. Since we adopted out of the country we also had to get fingerprinted several times, drug tests and unannounced home studies, . If you have any questions or concerns feel free to contact me by email or by phone at

Take care and have a blessed day. Thank you for taking the time to read my
