

Photographer for Male Model (Ship Island)

Location **Mississippi**
<https://www.genclassifieds.com/x-678935-z>

I am a male model and am planning to do a self-portrait photoshoot at Ship Island on Thursday September 17th. However, if I can find a great photographer willing to do this on a trade basis, I would prefer that instead. I will be glad to pay for the ferry ticket for both of us and bring lunch, but cannot pay a fee.

I would like to do some artistic nudes as well as swimsuit shots and a couple of other looks.

I am an experienced male model and have a professional site where my portfolio is displayed. I am also on modelmayhem and will provide linkbacks anywhere the images are used.

The ferry leaves from Gulfport at 9:30 a.m. that day and returns to Gulfport at approximately 3:30. That leaves 4 hours of shooting time on the island.

If you are interested, I would like to see some examples of your portfolio, so please send a link if you have one online.

I am including some work from my portfolio and will be glad to send a link to my website once we start a dialogue. Please include your name and email address so we can correspond off of CL relay mail.

Thank you,
