Hello I'm a treasure valley contractor looking for work. I know it's easier sometimes to barter then it is to pay. I've been a carpenter for 15 years. My companies name is Made In America Handy Man Service check my portfolio out on Facebook. I love to build decks and lay laminate flooring. I'm qualified to build you a custom home, but I'm honestly looking for any job u need done. Even if you have items that you don't think I can use or what not, I can sell them on Craigslist and make my money back. I am open to any ideas of payment. I have refrences apun request. What I would like to barter for is FLAT SCREEN TV, anything HUNTING, TOOLS, SMALL ENGINE MACHINES, FURNITURE, REMODELING MATERIAL, BUT I'LL TAKE JUST ABOUT ANYTHING OF VALUE IF THE BARTER IS RIGHT. !!!!I'M NOT PAYING FOR ANY MATERIAL THANK!!!
