Hello my name is Suzi and I am about 6 years old. I am a laid back and very sweet Golden Retriever and Chow mix. At 55 pounds I admit I am a little overweight and could lose a few pounds but I am very sweet. I love to walk on a leash and meet new people. I like people very much and I even like cats. However, it takes me a little while to warm up to other dogs. I am very well behaved and do not need to be crated, but I will sleep in one if needed and will not protest or fuss. I do not bark excessively. I have very beautiful eyes and a sleek thick coat. So, if you would like a big lovable well behaved companion who just wants to be loved, please give me a chance.
