I will want her to be cared for until 4:30pm (possibly 5pm). I will also need you to care for her 2 year old sister from 2:30-4:30pm.(possibly 5pm.)

You are welcome to provide this care in my home or yours if it is extremely close to her school or our home. You are welcome to take them to the park or any other safe activity. I am open to dropping off my 2 year old off at your home at 2:30 or you can come to my home.

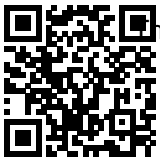

I need someone that is fun, kind and energetic. I need someone patient.

This person must have a safe and reliable vehicle (I will provide carseats)
You must be reliable and on time. I need to be to work on time and I need my daughter picked up on time.

Mostly, I am looking for someone my children will love and I can trust and build a relationship with.
