lost dogs (Payette)

Location **Idaho** https://www.genclassifieds.com/x-679036-z

Hello, all of our dogs dug out of their chain link pen last night. we are missing four dogs. they are standard poodles and labradoodles. Their is a parti colored poodle and a chocolate poodle and one one labradoodle and one cream golden doodle running around payette by 19th ave and highway 95 and river road. they have been spotted by people but by the time we find out about it they are gone. so if you find them please give us a call at

thank
